

CALL FOR ABSTRACTS

The Organizing Committee of the SOILS FOR OUR FUTURE (SFOF) 2025 International Joint Meeting of the Canadian Society of Soil Science (CSSS), the International Union of Soil Sciences - Division 1 - Soils in Space and Time (IUSS Div 1), and the 5th Global Soil Security (GSS) Conference, hosted by the Soil Conservation Council of Canada (SCCC) and the Manitoba Soil Science Society (MSSS), is pleased to announce a **Call for Oral and Poster Abstract** submissions for CSSS and IUSS Division 1 joint sessions or GSSS plenary sessions.

About – The SFOF 2025 International Joint meeting brings together leading soil scientists and professionals from around the world in three conference events to discuss the latest advancements in soil science and the role of soils in promoting sustainable food production and maintaining a healthy planet. SFOF 2025 will be in the heartland of North America, Winnipeg, Canada, July 20-25, 2025, and will include field tours and workshops.

Guidelines For Abstract Submission:

- **Deadline:** March 31st, 2025.
- **Description:** Abstracts to be no longer than 300 words.
- **Submission Portal:** Submit your abstract via the [conference website](#)
- **Limit:** Each presenter may submit up to two abstracts.
- **Presentation format:** Please indicate your preferred format (oral or poster).

The final presentation format and session placement will be determined by the Program Committee and session chairs. You will be notified by mid-April.

For more information on the conference program and sessions being offered, please visit our [conference website](#).

For any further inquiries, please reach out to soils2025@mbsoils.ca

Respectfully,

Inoka Amarakoon and Henrique Carvalho
